Who regulates us?

Hints Insurance Services Ltd is authorised and regulated by the Financial Conduct Authority. Our FCA number is 601384. You can check this at <http://www.fsa.gov.uk/register/home.do> or by contacting the FCA on 0800 111 6768. Our permitted business is advising on, arranging and assisting in the administration and performance of a contract of insurance.

Our Service

We are an Insurance Intermediary and as such we act as the agent of our client. However, in certain circumstances we may act for and owe duties of care to other parties. We will advise you when these circumstances occur so you will be aware of any possible conflict of interest.

We will advise and make a recommendation for you after we have assessed your insurance needs. If we are unable to make a recommendation or offer advice or where your requirements cannot be fully met we will provide you with enough information to enable you to make an informed purchasing decision.

We will assist you in effecting any changes that you need to make to your insurance policy, with the renewal of your insurance policy and with any claim you need to make.

We are also a credit broker in that we introduce those wishing to pay by instalments to firms that are able to lend money under a regulated credit agreement by way of business.

Whose products we offer

In the majority of cases we will carry out a 'fair analysis' of the market in order to identify a suitable product. This means that we will compare products from a sufficiently large range of insurance providers in terms of cover, price, quality of service and other relevant features in order to select appropriate policies for you. If this is not the case we will advise you of the breadth of our marketing prior to inception of the policy.

For those wishing to pay by instalments we only introduce clients to close premium finance. We will advise you if competitive credit terms are available through your insurer or, you have the option of sourcing your own credit agreement.

Remuneration

We receive commission from insurers which is a percentage of the premium paid by you and allowed by the insurers. In addition we may charge a professional fee to cover the placing and ongoing handling of your insurance. We normally make the following standard charges to cover the administration of your insurance:

Arranging new policies and renewals:	£5.00
Mid-term adjustments:	£5.00
Replacement/duplicate certificates or cover notes:	£10.00
Arranging finance	NIL

From time to time depending on the work and risk involved it may be necessary to charge greater fees. The specific amount and purpose of any professional fee and administration charges will always be advised to you in advance.

We earn the entirety of our commission and/or fees when your risk is successfully placed and take our commission and/or fees immediately upon receipt of payment unless agreed otherwise with your insurer.

Disclosure of Earnings (commercial customers)

You are entitled at any time, to request information about earnings that we, or any other intermediary we have used, receive as a result of placing your business. In addition to commission from insurers, we may also receive payments based on volumes of business or profitability of the account placed with them. These payments can vary from year to year. Such remuneration is only earned on the basis that it does not detract from our obligation to act in our client's best interest at all times.

Payment Terms

We normally accept payment by cheque, BACS or credit card. We require full payment of the premium within 7 days of cover being effected. You may be able to spread your payments through a credit scheme either run by your insurer or by a finance provider and we will advise you further if these options are available.

How we will handle your money

We are the agent of insurers of the collection of insurance premiums and hold these premiums in an insurer trust account on a risk transfer basis.

Mid-term adjustments or cancellations

In the event of an adjustment that results in a return of premium or cancellation mid-term we will refund the premium due net of our full commission and any charge made by insurers. Where the premium is being paid by instalments we will claim our full commission along with any charge made by the insurers in the calculation of any outstanding monies.

Cancellations due to premium instalment default

If any credit agreement payment is not met, you acknowledge and agree that we may instruct on your behalf the relevant insurer to cancel the insurance and to collect any refund of premiums which may be made by the insurer and use it to offset any outstanding costs. Cancellation of the insurance policy will mean there is no cover in force should a claim occur

Insurers

Whilst we take every care to check the financial stability of any firm with which we place business, we cannot be held responsible if that firm subsequently ceases to trade.
